ABOUT US

Your strategic partner for engineering supply

Renowned as a leading supplier of Electrical, Mechanical, Construction and Civil-related materials in Saudi Arabia, **Shortline** (Al Khat Al Aqsar) excels in delivering top-quality products to a diverse clientele both locally and globally.

At **Shortline**, our commitment is to serve as a strategic partner, providing engineering products and services tailored to the specific needs of our customers. Our experienced management team embraces a culture of continual improvement, analysing customer requirements thoroughly to deliver optimal, cost-effective solutions.

We adhere to international quality and HSE standards, ensuring our products and services meet the highest benchmarks of excellence. Choose **Shortline** and experience the difference that quality, expertise and dedication can make.

OUR CORE RANGE

- Cables & Accessories
- Pipes & Fittings
- Pneumatic & Hydraulic Spares
- Valves & Actuators
- Electrical Items
- Mechanical Parts
- Tools & Safety Equipment
- Custom Sourcing Solutions

MISSION & PHILOSOPHY

What drives everything we do

OUR MISSION

To enhance stakeholder value by maintaining high standards of reliability across all aspects of our operations.

We are dedicated to fostering a safe and transparent culture of respect, integrity and high ethical standards. As we expand our reach across global markets, we remain committed to sustainability practices that benefit both the environment and the community.

OUR PHILOSOPHY

Integrity

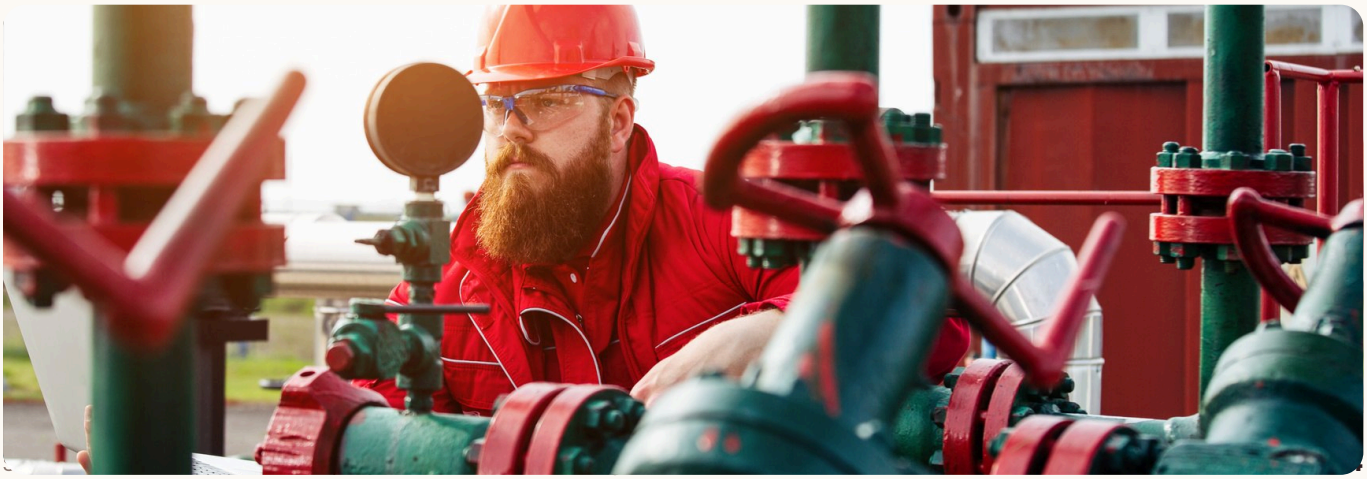
We conduct our business with honesty and transparency, building trust through ethical practices and reliable service.

Excellence

We strive for excellence in all aspects of our operations, consistently delivering high-quality products and services that exceed expectations.

Customer-Centric

Our clients are at the heart of everything we do. We take the time to understand their needs and tailor reliable, cost-effective solutions.



OUR VALUES

Eight principles behind every order

Our values guide how we work with customers, suppliers and each other — from the first enquiry to final delivery.

01

Customer-Centricity

We prioritise our clients' needs, tailoring solutions to ensure their satisfaction and long-term partnerships.

02

Integrity

We conduct our business with honesty and transparency, building trust through ethical practices and reliable service.

03

Excellence

We strive for the highest standards in all our operations, consistently delivering quality products and services that exceed expectations.

04

Innovation

We embrace new ideas and technologies, providing cutting-edge solutions that add value and drive progress.

05

Reliability

We are committed to being dependable partners, delivering on our promises and ensuring consistent performance.

06

Sustainability

We practise responsible business, minimising our environmental impact and promoting community well-being.

07

Improvement

We foster a culture of learning and development, constantly enhancing our capabilities and services.

08

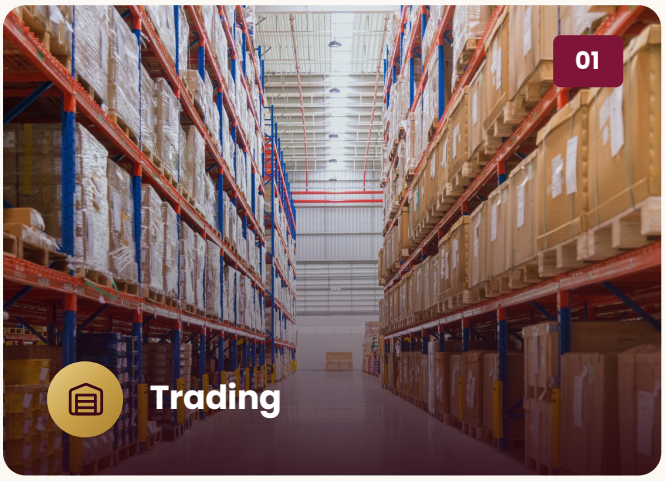
Respect

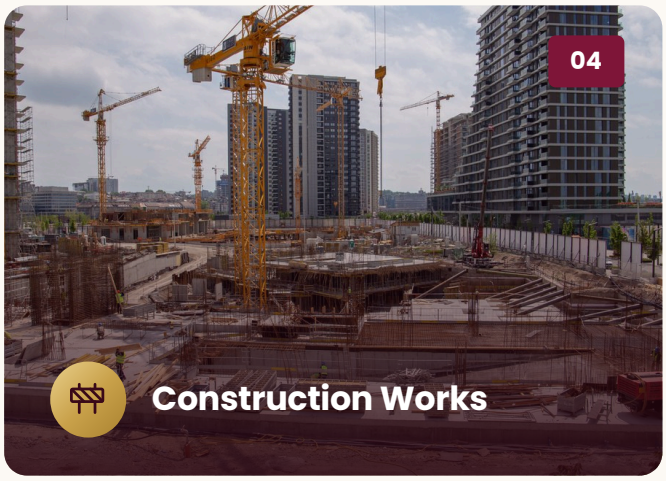
We value our clients, partners and employees, fostering a positive, inclusive and collaborative work environment.

BUSINESS PORTFOLIO

Six divisions, one trusted partner

Beyond supply, our portfolio spans services that support projects from groundwork to long-term operation.





OUR CUSTOMERS

Trusted by the region's industry leaders

Shortline is a registered, approved vendor with major energy, petrochemical and industrial operators in the Kingdom.

Saudi Aramco
Approved Vendor
VENDOR NO. 10113686

Sadara
Approved Vendor

OUR PARTNERS

Sourcing from the world's leading brands

We supply genuine products from globally recognised manufacturers across automation, power, fluid handling, tools and workwear.

Schneider Electric · SIEMENS · ABB · TOSHIBA · OMRON · EATON
Danfoss · EMERSON · Honeywell · GE · Parker · rexroth
SMC · DAIKIN · ENERPAC · GRACO · TRELLEBORG · Kawasaki
Linde · BUCHER · FITOK · Autoclave Engineers · DCL · GREENERD
UNIFLEX · HiP · DX · PELICAN · EGA Master ART IN INNOVATION · BALON
3M · BP · Kimberly-Clark · BLÅKLÄDER · atlas the shoe company · PREMIUM format
LEOPARD · Pionier workwear · LEMAITRE · KÜBLER WORKWEAR · HKS · PUMA
MASCOT

...and many more trusted global manufacturers

OUR SERVICES

Complete supply, end to end

01

Electrical Supplies

A comprehensive selection of electrical supplies, including cables, accessories and electrical items, sourced from leading manufacturers to the highest standards of quality and safety.

02

Mechanical Parts

Valves, actuators and mechanical components essential for industrial applications — durable, reliable parts that keep your operations running smoothly.

03

Construction Materials

A wide array of construction materials, from pipes and fittings to tools and safety equipment, built for demanding projects and compliant with industry standards.

04

Tools

A wide range of tools for industrial applications, selected for quality and reliability so your operations run smoothly and efficiently.

05

Hydraulic Spares

High-quality hydraulic components that enhance the performance and reliability of your systems and keep equipment operating efficiently.

06

Pneumatic Spares

A full variety of pneumatic components for your machinery and equipment, engineered for performance and longevity.

07

Safety Equipment

Safety equipment that protects your workforce and ensures compliance with safety regulations — chosen for effectiveness and durability.

08

Custom Solutions

Every project is different. Our experienced team works closely with you to develop and deliver products and services to your exact specifications.

SERVICE SECTORS

Industries we serve

Our supply capability supports twelve core sectors across the Kingdom's industrial landscape.

01
Petrochemicals

02
Oil & Gas

03
Fertilizer Industry

04
Cement Industry

05
Paint & Coating

06
Paper & Packaging

07
Infrastructure & Civil

08
Food & Edible Oil

09
Dairy Industry

10
Piping & Steel

11
Plastic Industry

12
Furniture Industry

Don't see your industry? Our custom sourcing team can locate the right products for any industrial application.

PRODUCT RANGE

Our Product Range

01–02 / 18

01

Construction Equipment

A comprehensive range of high-quality parts for construction equipment to meet your operational needs — from hydraulic components for excavators and engine parts for bulldozers to replacement tracks for loaders and wear parts for concrete mixers.

- Hydraulic components
- Engine parts
- Replacement tracks
- Wear parts

Gasoline Station Equipment

High-quality products for gasoline stations — fuel dispensers for efficient refuelling, nozzles and hoses for reliable delivery, filters for clean fuel, and safety equipment for a secure environment.

- Fuel dispensers
- Nozzles & hoses
- Fuel filters
- Station safety

PRODUCT RANGE

Our Product Range

03–04 / 18

03

Pumps

An extensive range of pumps carefully procured for every fluid-management need, whether for water supply, chemical processing or industrial applications — built for optimal performance and durability.

- Centrifugal pumps
- Diaphragm pumps
- Gear pumps
- Hydraulic pumps

Motors

A diverse selection of top-quality motors for mechanical and industrial requirements — dependable, efficient models that guarantee optimal performance and longevity.

- AC motors
- DC motors
- Stepper motors
- Servo motors

04

PRODUCT RANGE

Our Product Range

05–06 / 18

05

Valves

High-quality valves for every fluid-control need — gate valves for low-pressure-drop applications, globe valves for flow regulation and ball valves for quick on-off control.

- Gate valves
- Globe valves
- Ball valves
- Check valves

Bearings

A comprehensive range of bearings for every mechanical need — ball bearings for smooth rotation, roller bearings for higher loads and plain bearings for simple, cost-effective solutions.

- Ball bearings
- Roller bearings
- Plain bearings

06

PRODUCT RANGE

Our Product Range

07–08 / 18

Coating Materials

A comprehensive range of coating materials — solvent-based coatings for robust protection, high-solids coatings for reduced emissions, waterborne coatings for eco-friendly applications and powder coatings for a durable finish.

- Solvent-based
- High-solids
- Waterborne
- Powder coatings

Cables

High-quality cables for every connectivity and power need — Ethernet for reliable networking, coaxial for clear signal transmission, fibre optic for high-speed data and power cables for safe, efficient distribution.

- Power cables
- Ethernet
- Coaxial
- Fibre optic

PRODUCT RANGE

Our Product Range

09–10 / 18

09

Measuring Tools

Precision measuring tools for every requirement — calipers for accurate distance measurement, micrometers for precision engineering and laser measures for long-distance accuracy.

- Calipers
- Micrometers
- Height & dial gauges
- Laser measures

Tools & Spanners

A comprehensive range of hand tools and spanners for every mechanical need — adjustable spanners for versatility, combination spanners for dual functionality and socket spanners for efficient torque application.

- Adjustable spanners
- Combination spanners
- Socket sets
- Pliers & hand tools

10

PRODUCT RANGE

Our Product Range

11–12 / 18

11

Gauges

Pressure and temperature gauges for all your measurement needs — analog and digital pressure gauges for accurate fluid monitoring, and bimetallic and gas-filled thermometers for precise temperature readings.

- Pressure gauges
- Digital gauges
- Bimetallic thermometers
- Gas-filled thermometers

Industrial Machines

High-quality industrial machines for diverse operational needs — milling machines for precision cutting, lathes for shaping materials, hydraulic presses for forming and moulding, and industrial mixers for blending.

- Milling machines
- Lathes
- Hydraulic presses
- Industrial mixers

PRODUCT RANGE

Our Product Range

13–14 / 18

Automation

Automation products for every operational need — fixed automation for repetitive tasks, programmable automation for flexible manufacturing and integrated automation for seamless system control.

- Fixed automation
- Programmable systems
- Integrated control
- Robotics

Electrical Equipment

A comprehensive range of electrical products — wiring solutions for safe and efficient power distribution, control systems for precise management and lighting solutions for optimal visibility.

- Wiring & accessories
- Power distribution
- Control systems
- Lighting

PRODUCT RANGE

Our Product Range

15–16 / 18

Hoses

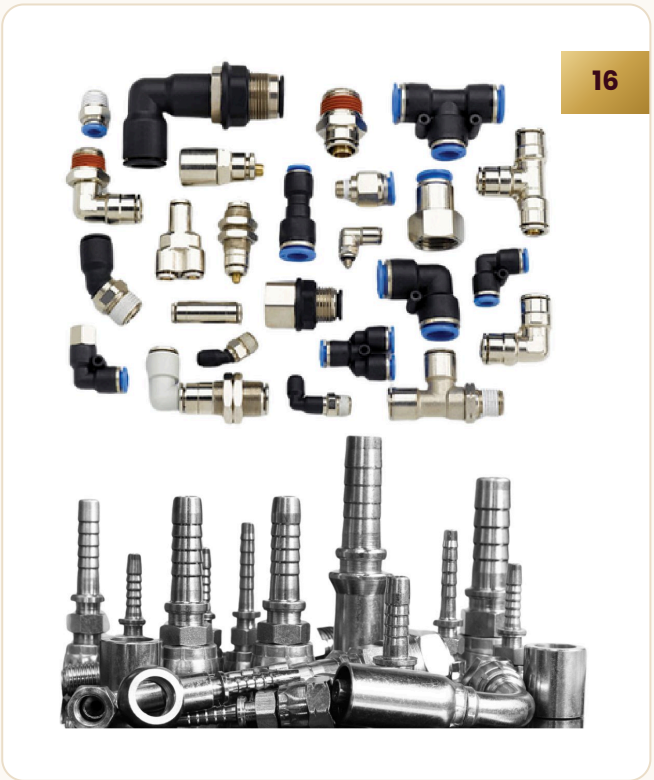
A wide array of hoses tailored to diverse operational needs — industrial hoses for heavy-duty work, flexible hoses for easy manoeuvrability, hydraulic hoses for high-pressure systems and specialised hoses for unique tasks.

- Industrial hoses
- Flexible hoses
- Hydraulic hoses
- Specialised hoses

Fittings & Couplings

Industrial fittings for every application — pneumatic fittings for air systems, hydraulic fittings for high-pressure use, pipe fittings for secure connections and quick couplings for fast, efficient assembly.

- Pneumatic fittings
- Hydraulic fittings
- Pipe fittings
- Quick couplings



PRODUCT RANGE

Our Product Range

17–18 / 18

17

Safety Equipment

A comprehensive range of safety equipment for the well-being of your workforce — PPE such as gloves, safety glasses and hard hats, respiratory protection, fall-protection gear, and fire-safety equipment.

- PPE
- Respiratory protection
- Fall protection
- Fire safety

General Products

A wide range of quality general products — from essential industrial consumables to practical tools and gadgets — everything you need to keep daily operations efficient.

- Industrial consumables
- Practical tools
- Site essentials
